Feel Happier! (Even in tough times)

“Is your glass half empty or half full?” asked the mole. “I think I’m grateful to have a glass,” said the boy.” Charlie Mackesy, The Boy, the Mole, the Fox and the Horse

Practicing positive psychology helps us to feel physically and mentally healthier and helps us to be more productive and happier. Yet for most of us (especially with all we’ve been through)

it's hard to practice positivity or feel optimistic on a regular basis. In this interactive presentation, participants will learn and experience practical, science-based strategies that increase productivity, joy, happiness and wellbeing. *When we feel better, we do better.* Learn how to capitalize on the happiness advantage to improve performance and maximize potential in yourself and others.

Speaker: Pam Garramone, M.Ed., Positive Psychology

3:05-3:15pm Wrap Up!

CTAHPE Chairs: Katie Simes & Melonie Bennett
